**BACK ON MARKET!** A rare opportunity to own this one of a kind, grand in-town Victorian in the village of Goffstown, a town known for its high ranking schools, celebrated community organizations like the public library and YMCA, annual festivals like the Pumpkin Regatta, Halloween night, and Friday Night Under the Lights, The Uncanoonuc Mountains for hiking and rich history, three lakes for swimming, fishing, kayaking and boating, the Goffstown Rail Trail, and newly renovated and attractive downtown. On nearly an acre of level land there is ample room to garden, play, and host get-togethers big and small. As you would expect, there is classic turn of the century attention to detail throughout, gorgeous light pouring through each window, a stunning mahogany wrap around porch, and an incredible two story garage for storage, hobbies or your next creative adventure.
