The equine estate you have been waiting for! An extremely private, custom built, geothermal powered home on 50+ acres abutting conservation land with immediate access to miles and miles of trails. The pristine, well-appointed kitchen boasts copper counters, large island and a six-burner Viking range. Soak in the natural light through the house's many lovely windows. Also featured is a cozy fireplace and first floor master suite. The large property includes a convenient in-law apartment as well. Outside, you will find a spacious back deck, 3 bay garage, acres and acres of land and a barn that was designed for your horses! The 4 stall barn offers individual access to the pasture through each stall, over 15+ acres of pasture and a full regulation size Dressage arena. Boundless opportunity awaits at this one of a kind property!
