An exceptional find- don't miss out on a great opportunity to build your dream home on this 5.5 acre lot on high ground with spectacular Northern and Westerly views where on a clear day you can see Mt. Washington in the horizon! The base of the gently sloping driveway is in and has been permitted. Much of the site work has been done giving you the level base to start building! Located in a great community with a Blue Ribbon Elementary School - Just a mile from Rt. 4, minutes from Concord all in a lovely private country setting.
