This beautiful colonial exceptional colonial with oversized rooms and large windows for bright and sunny rooms. This is the perfect home for privacy and great elbow space in every room. Sitting on private 5+ acres with wrap around porch and 4 spacious bedrooms, this home is a beauty inside and out. Exceptional oversized rooms are versatile and can easily accommodate your needs. Front to back living room and family room (currently used as education room), eat-in kitchen and formal dining room (currently used as office) and lovely wood flooring throughout the lower level. Two stairways lead to the second floor and large entryway foyer leads directly to 2nd floor to access all bedrooms. Stairway at rear of house, off mudroom, brings you to oversized Great Room over garage, that flows into hallway towards Master Suite. Master Suite is fitted with exceptionally large walk in closet and an alcove that can be used as nursery or small office. The level backyard has great fenced in area for dogs off back deck and above ground pool for cooling off this summer. Added features are composite wrap around deck in front and rear of house for carefree maintenance.
