IN THE HEART OF AN ESTABLISHED NEIGHBORHOOD...A MID-CENTURY MODERN JEWEL AWAITS! Past charming homes with lush green lawns and mature trees, pull into the driveway and stroll up the walkway flanked by planting beds, to the front door of a classic Tri-level that embodies the perfect combination of tasteful updates and original retro features. The welcoming living room is suffused with light streaming through a picture window. Two archways draw you into the heart of the home...a kitchen and open dining area where friends will gather. Relax in the fresh air on the deck overlooking a large, flat backyard. Back inside, up a few stairs, find three generous bedrooms with rich hardwood floors and a tastefully updated bathroom. On the lower level, an extra wide garage is the ideal spot for the hobbyist or collector and provides lots of storage. In a location that can't be beat...with close proximity to all that Manchester has to offer and the highway to Boston, The Seacoast, Lakes and Mountains...MOVE IN AND ENJOY LIFE! Showings begin Saturday, 4/27.
