DO NOT MISS YOUR OPPORTUNITY !!! HIGH INCOME Investment Opportunity OR Owner-Occupy, you choose! This THREE-FAMILY property has one THREE-BEDROOM apartment on the first floor AND two ONE-BEDROOM apartments on the second floor. This property was completely rebuilt in 1980, so many of the headaches that come with an older property are non-existent. Currently, fully rented with COC in place until 2021. The FOUR-CAR detached garage provides plenty of off-street parking. Close to parks, schools, shopping, restaurants, and more!!
