A CRAFTSMAN-STYLE MASTERPIECE BY SHANNER HOMES...WELCOME TO THE VILLAGE AT ATHERSTONE! Take a leisurely drive through a delightful neighborhood and arrive at this beautifully sited property. Stroll up the gently curving walkway, past perennial gardens. Step onto a classic columned porch and into an inviting foyer where you immediately appreciate the open floor-plan...ideally suited to today's lifestyle. Sunlight streams into an expansive great room where friends gather around a floor-to-ceiling, stone fireplace. At the heart of the home, a professional-grade kitchen like no other, features a Viking range, full-size refrigerator and freezer, warming drawers, extra tall cabinets, walk-in pantry and an enormous island with prep sink. A cheerful mudroom and first-floor laundry couldn't be more practical. A large formal dining room with corner exposure is perfect for hosting dinner parties or dine al-fresco on a protected patio, in front of the outdoor fireplace. An artfully crafted staircase brings you to the second floor landing replete with solid, custom bookshelves. Three light-filled bedrooms connect to beautifully appointed bathrooms. The luxurious master suite features a fireplace, walk-in-closet and spa-like bathroom with soaking tub and exquisite, oversized shower. On the lower level, the fun..
