

333 Boynton Street Manchester, NH 03102

\$ 265,000

MLS# 4779362

3 Bedrooms . 2 Bathrooms . 1 Sqft

This nicely updated New Englander is situated on a .23 acre corner lot in a desirable West Side neighborhood, a stone's throw from the Bedford town line. Enter through the tidy, enclosed back porch into the beautifully remodeled kitchen with maple and cherry cabinets, granite countertops, tin ceilings, wainscoting, newer stainless appliances, cooktop with custom hoodvent, and walk in galley-style pantry. At the center of the 1st floor is a lovely living room with a coffered ceiling, original hardwood floors, classic wood moldings, and an exposed hardwood staircase. On the 1st floor you'll also find a formal dining room with crown moldings, a spacious den/office/potential 4th bedroom, an enclosed front porch with rounded turret style roof, and a freshly remodeled 1/2 bath with plank style ceramic tile flooring and a pedestal sink. Follow the hardwood steps up to the 2nd floor where you'll find more gorgeous hardwood in all 3 spacious bedrooms and a large remodeled full bath with a walk-in custom-tiled dual-head shower, clawfoot tub, separate toilet room and an oversized...
