4 Bedrooms . 1 Bathroom . 3,360 Sqft

PRICED BELOW RECENT APPRAISAL Stately and private 4 bedroom Colonial in the desirable, low tax town of Surry. Perfect for entertaining, the open concept main living area offers a spacious kitchen with excellent cabinet/counter space, expansive center island, built-in desk and bay window which flows nicely to the living/dining area with warm natural wood wainscotting. Atrium door leading to a heated sunroom with knotty pine walls and cathedral ceiling. Wood and tile floors and solid wood doors. A huge bonus room over the garage with cathedral ceiling, skylights and woodstove. First floor office and laundry. Handy mudroom entry. Master en suite with brand new master bath featuring a jetted tub, granite counter and tile floor, plus 3 more ample bedrooms with double closets. Deck and patio overlooking tree lined back yard. Fenced area for pets. New roof and freshly painted exterior. Less than a mile from the Keene line and Surry Recreation Area.
