3 Bedrooms . 1 Bathroom . 1,774 Sqft

Thoughtfully renovated throughout and ready for occupancy. An impressive list of recent improvements has just been completed on this charming 3-4 bedroom, 2 bath home including: Roof shingles, replacement windows and doors, electrical wiring including 2 new breaker panels, chimney repointed, interior and exterior paint and gleaming hard wood floors. Country kitchen featuring new counter tops, appliances, a built-in breakfast nook and double pantry. 2 completely new bathrooms with oversized showers. The large second floor 4 piece bath offers a soaking tub and double vanities. Formal dining with china cabinets. The family room could also be used as a first floor bedroom. Bulls eye molding. Spacious first floor laundry. Front and back staircases. Covered porch. The 2 story garage/barn offers space for a workshop and great storage. Huge back yard. Walk to Keene's vibrant downtown and Keene State College.
