Lovely 5 acre (+/-) lot in country setting, nestled between two other 5 acre residential lots. Flat lot already CLEARED for building!! Seller to provide septic APPROVALS for your desired floor plan. Also, has a beautiful 3 bedroom floor plan available, specifically designed for this lot. Potential lovely views of rolling hills at the rear of the property. Minutes to Deerfield and Concord while traveling down picturesque stonewall streets, past farms, fields and meadows. Great value for this parcel of land compared to surrounding towns. Build your dream home and send your children to Pembroke Academy. Enjoy walks in nearby quiet neighborhoods or down the road to Bear Brook State Park. The state park offers a museum complex, 10,000 acres, 40 miles of trails through the heavily forested park which lead to marshes, bogs, summits, and ponds. The park offers a variety of options for hikers, mountain bikers, boaters, campers, archers and equestrians. Perfect for those loving the outdoors and country living. NON-SUBDIVIDABLE.
