3 Bedrooms . 1 Bathroom . 3,252 Sqft

Welcome home to this 3,300 square foot, 3 bedroom, 3 1/2 bathroom Colonial situated on a quiet cul-de-sac in a convenient location in Bedford. You'll love the newly renovated kitchen with granite countertops, subway tile backsplash and upgraded Stainless Steel appliances. The first floor includes living room with gas fireplace and wired surround sound. The large dining room will easily allow you to host all your family get togethers. If you need to work from home.. no problem with your private office. The four season enclosed porch will allow you to get close to nature and give you the perfect spot to enjoy your family meals. The second story features an extra large Master Bedroom with En-Suite and a walk-in closet that can hold your clothes for every season. The two generous guest bedrooms have plenty of closet storage and more than enough room for bedroom sets. The quiet sitting area on the second floor is the perfect place to enjoy your favorite book. We haven't even spoken about the finished lower level with 3/4 bathroom, indoor hot tub and sauna, media room with wired Bose speakers and recreation room. Just imagine spending your summer on the multi-level deck overlooking your above ground heated pool and if the rain comes you can retreat to your protected paved patio with lighting....
