4 Bedrooms . 1 Bathroom . 2,168 Sqft

Don't miss out on this beautiful New Construction Home under 400K in sought after Candia NH! Over 3 acres of land abutting the Main NH trail system!! Conveniently located, only 5 minutes off Exit 3 off 101. This pretty Colonial offers 4 bedrooms, 2.5 baths, 2nd floor laundry hookups, spacious Master Suite with master bathroom, 2 car garage under. This builder is great to work with and you still have time to customize your selections! All pictures are reasonable facsimile. 4 months from to start to finish is the completion date. Planning on starting mid Feb.
