Location, location, location! Welcome to Blackstone Reserve, your gateway from the City to the Seacoast. Located just one mile from Exit 4, Route 101 is where you will find this luxurious 55+ active adult community. Blackstone Reserve offers a natural picturesque setting featuring 66 single-family detached condos. Residents will enjoy a low maintenance environment giving you time to enjoy a social climate defined by community living, and a physical environment to keep active and young. The Model featured here is the Sonoma which also offers a study/office. Other floor plans and options are available on this lot. Each home at Blackstone Reserve provides open-concept, one level living at its best. The comfortable floor plans range between 1,710 square feet to 2232 square feet and feature 2 bedrooms, 2 bathrooms, master bedroom with en suite, 2 car attached garages, and full basements. Standard features include: cathedral ceilings, hardwood floors, granite countertops, stainless steel appliances, high-end cabinetry, central A/C and so much more! Homeowners make selections to customize and personalize each home to fit their lifestyle and color preferences. Prices start at \$374,900. OPEN HOUSE Saturday- Sunday from 10AM-4PM. Weekdays by appointment.
