Beautiful land available to build your dream home! Plenty of room for everyone to spread out with 56 acres to call your own! This could also be a wonderful opportunity to build several homes with potential views of Mt. Kearsage! Conceptual plans have been done and there is potential for up to 17 lots here! A 30,000 gallon cistern has already been installed at the entrance of the subdivision. Beautiful land waiting to be developed for future homes or your own private oasis!
