3 Bedrooms . 1 Bathroom . 2,480 Sqft

STUNNING Craftsman Cape on a beautiful corner lot in sought after Village at Mt Miner. Hardwood floors, upgraded kitchen/baths with Quartz Counters, pen concept living. This beautiful floor plan has a 2 story family room with loft above. First floor master bedroom with hardwood floors, spacious master bath with tiled shower, walk in closet. Huge walk out 9' basement with double doors and 5 large windows for daylight, roughed plumbing for future bathroom. Builder can finish for additional charge if you need more space! This home will certainly impress you! Community will have 39 homes on over 117 acres with walking trails and conservation land. This home is already underway, still time to pick out flooring colors. Don't wait!
