Location, location, location! Welcome to Mary Joe Lane Phase 3 at Blackstone Reserve, your gateway from the City to the Seacoast. Mary Joe Lane is a FANTASTIC Cul De Sac surrounded by woods and offers great privacy in the back yard. Located just over one mile from Exit 4, Route 101 is where you will find this luxurious 55+ active adult community. Blackstone Reserve offers a natural picturesque setting featuring 66 single-family detached condos. Residents will enjoy a low maintenance environment giving you time to enjoy a social climate defined by community living. Each home at Blackstone Reserve provides open-concept, one level living at its best. The comfortable floor plans range between 1,710 square feet to 2,056 square feet and feature 2 bedrooms, 2 bathrooms, master bedroom with en suite, 2 car attached garages, and full basements. All Models EXCEPT The Napa offer a Home office. Standard features include: cathedral ceilings, hardwood floors, granite countertops, stainless steel appliances, high-end cabinetry, central A/C and so much more! Homeowners make selections to customize and personalize each home to fit their lifestyle and color preferences. Prices start at \$417,900 in Phase 3. Model Home OPEN Wednesday-Sunday from 10AM-4PM. The Sonoma Model featured here can be ready for occupancy in the Spring of 2021. Other models are available on this lot. This location is going fast so make an appointment today. Some photos are from previously built homes.
