Location, location, location! Welcome to Phase 2 at Blackstone Reserve, your gateway from the City to the Seacoast. Located just one mile from Exit 4, Route 101 is where you will find this luxurious 55+ active adult community. Blackstone Reserve offers a natural picturesque setting featuring 66 single-family detached condos. Residents will enjoy a low maintenance environment giving you time to enjoy a social climate defined by community living. The home featured here is the Sonoma Model with Sunroom included. This home has a great open concept layout with tons of natural light. 2 Beds, 2 baths with a Sunroom/Study Combination that is sure to please. This is the last lot left in Phase 2 and can be ready for Spring 2021. Each home at Blackstone Reserve provides open-concept, one level living at its best. The comfortable floor plans range between 1,710 square feet to 2,232 square feet and feature 2 bedrooms, 2 bathrooms, master bedroom with en suite, study/office, 2 car attached garages, and full basements. Standard features include: cathedral ceilings, hardwood floors, granite countertops, stainless steel appliances, high-end cabinetry, central A/C and so much more! Homeowners make selections to customize and personalize each home to fit their lifestyle and color preferences. Model Home Open...
