Your new home awaits! You'll fall in love with this year-round cottage on the shores of Lake Daniels. Spend the summer splashing in the lake or boating off your own dock. Spend the winters snuggled up in front of your own wood stove with a panoramic view of the snowy lake outside. Whether you're looking for a quiet weekend retreat or full-time fun, this is it! You'll fall in love with the eat-in kitchen and the oversized 4 season sun porch. All this and more, with easy access to both Manchester and Concord! All that's left is to make it your own.
