Trolley Crossing GEM! One of the largest lots in the neighborhood on the Londonderry Town line. Well updated Colonial on a nicely landscaped corner lot. Kitchen was completely remodeled with new solid wood cabinets, granite counter tops and tiled floors which extend from the front door to the 1/2 bathroom with laundry. The dining room and living room has new hickory hardwood floors. Brand new carpeting in all bedrooms and new tiled floors in the second floor bathroom. The basement is finished with a large rec room and additional bedroom. With the Nest thermostat and natural gas, you don't have to worry about large utility bills. Central A/C will keep you cool in the Summer and the central vac is very convenient. You won't find a nicer detached garage. This one is heated, finished, has tiled floors, crown molding and a chair rail. There's plenty of parking in the extra large driveway with RV parking and there's lots of room to entertain on the oversized deck. Everything has been done for you here and this house is ready for you to move in today!
