4 Bedrooms . 2 Bathrooms . 3,084 Sqft

Unique home to Keene with oversized backyard within walking distance to downtown and schools. This beautiful antique home has character that has been renovated with high quality materials and waiting for your finishing touches. Great flexibility to easily convert this home to two family or keep as a spacious 4 bedroom single family home. Gourmet eat-in kitchen with large deck leading to private fenced-in yard and additional fenced in vegetable garden tucked away in side-yard. This gourmet kitchen is for the chef of your house with gas stove and top of the line appliances. Large dining room off kitchen leading to living room(s) or close sliding door and have one living room with fireplace and office. Master suite on first floor with walk-in closet and full bathroom. This home boasts beautiful woodwork throughout with grand banisters leading to 2nd floor and hardwood flooring. 2nd floor has 3 additional bedrooms, full bathroom and sunny bonus room with oversized windows and fireplace. Just off the bonus room is the large laundry/hobby room with built in cabinets. Added features are a attached two level barn and massive storage space in main house attic. This house is a charm and just waiting for your finishing touches.
