NEW CONSTRUCTION BY A FINE NEW HAMPSHIRE DEVELOPER! A delightful neighborhood is being created and you can be the first to enjoy all the comforts of this new home, prominently sited at the top of a gentle hill, with a large backyard. The open floor plan offers great flexibility and function, with room for future expansion. Drive right into the two-car garage, step into a mudroom area and head up to the main floor, thoughtfully designed for today's lifestyle. Greet guests at the front door and welcome them into the foyer boasting a generous closet and lovely powder room. At the heart of the home, prepare meals in the chef-worthy kitchen with enormous pantry, while friends chat at the island, then partake in the delightful dining area that flows seamlessly into a light-filled living room. At day's end, head upstairs, past two delightful bedrooms with adjacent bathroom, to the serenity of a master retreat featuring a spa-like bathroom with double vanity and huge walk-in closet. Visit today and customize selections! YOUR FOREVER HOME AWAITS!
